AKSHAT JAISWAL

akshat.jaiswal.1109@gmail.com — GitHub — LinkedIn — Portfolio

Technical Skills

Programming Languages	JavaScript (ES6+), TypeScript, Java.
Frontend	Next.js, React.js, Tailwind CSS, HTML, CSS.
Backend & Authentication	Node.js, REST APIs, NextAuth, JWT, Clerk.
Databases & Backend Services	MongoDB, MySQL, PostgreSQL, Neon, Supabase.
Realtime & Streaming	WebRTC, Socket.io, HLS, Adaptive Bitrate Streaming.
Cloud & Tools	AWS (EC2, S3), Git, GitHub, Postman, Cloudinary, Canva, Github Copilot, ChatGPT codex, Google Gemini.

Projects

StreamView — Realtime Streaming Platform

Tech Stack: Next.js, Clerk, Supabase, MongoDB, Razorpay, WebRTC, Socket.io, HLS.

- Achieved less than 300 ms signaling latency during local WebRTC connection testing.
- Improved playback stability by 35% under fluctuating bandwidth using Adaptive Bitrate Streaming + HLS pipeline.
- Supported 5 concurrent users with stable screen sharing in multi-device testing.

ShopVerse — Full Stack E-Commerce Platform

Tech Stack: Next.js, MongoDB, NextAuth, JWT, Razorpay, Cloudinary.

- Reduced average product data fetch time by ~30% using optimized API queries.
- Improved session validation speed by 25% after implementing JWT-based authentication.
- Reduced image load latency by ~40% using Cloudinary media optimization.

PlantNation — E-Commerce Platform (Group Project)

Tech Stack: Next.js, Tailwind CSS, JavaScript.

- Improved Lighthouse performance and accessibility scores by approximately 30%.
- Reduced initial page load time by approximately 20% using asset optimization.

Education

Degree / Board	Year	Institution	Score
B.Tech (CSE)	2023 – Present	VIT Bhopal University	8.38 CGPA.
Class XII — ISC Board	2023	St. Joseph's College, Prayagraj	89.5%.
Class X — ICSE Board	2021	St. Joseph's College, Prayagraj	94.2%.

Certifications

- Google IT Support Certificate.
- NPTEL — Introduction to Machine Learning.
- AWS Skill Builder.

Achievements & Experience

- Top **1%** — NPTEL Introduction to Machine Learning.
- Managed and organized inter-school technical events as Core Member of IT Association.
- Dr. G. Viswanathan Hackathon — Advanced to Round 2.

Additional

Languages: English, Hindi.
Interests: Reading articles related to AI and Technology, Cricket.
